

## What is APSCHE Mandatory Internship?

**Every student needs to do a 10-month internship that is community development (CSP) for 2 months, a 2-month industrial project, and a 6- Month industrial project.**

## Who can do what and when can do it?

Degree Type	Community Service	Short Term	Long Term
Conventional	After 2nd Sem	After 4th Sem	Either 5th / 6th Sem
Professional	After 4th Sem	After 6th Sem	Either 7th / 8th Sem

## Availability of Student's

<b>CSP</b>	3.5 lakh students available from the backgrounds of BA, and BSC.BCOM, BBA, and B. tech are available from April.
<b>Short Term</b>	1 lakh Btech students with different domains like computers, civil, electrical, mechanical, and electronics are available from August.
<b>Long Term</b>	1 lakh conventional degree students from the domains of arts, commerce, Science, and business will be available from April.

## How to recruit Interns?

**Interested individuals may register at the APSCHE Industry Institute Connect portal and publish their requirements**

## Work Flow of Industry Institute Connect Portal for recruiting interns.

**Organization need to register on the APSCHE IIC Portal**

**Organizations need to login and post the intern requirements**

**The Requirement posted will be approved by the University Nodal officer**

**Students will find the approved intern roles and express their interest**

**The College Nodal officer shall shortlist the opportunities selected by the students**

**The details of the short listed students will be available to organisation**

**Organizations can hire the Candidates from the shortlisted candidates by the college nodal officer to the respective role**

## Steps for Organizations Registration to the Portal

- The user needs to click on <https://bit.ly/APSCHEIIC>
- If the organization's GST or PAN number is registered with the Andhra Pradesh address, users need to click the respective id type, if not within AP users to click others.
- If the User enters the respective id i.e. PAN or GST all the rest fields will be pre-filled

- If the organization does not have a PAN or GST with an Andhra Pradesh address and the system does not populate the remaining fields with the provided ID, the user must enter all data manually.**
- Users need to Validate their mobile number and email through OTP.**

## How to Sign In to the Portal

**Users need to click on sign in button and provide a registered email id as the username and mobile number as the password**

## How to Post the Job

- Users need to click on the post job icon and then select the type of the job
- Global Physical** - If the work location is out of Andhra Pradesh and positions are available throughout Andhra Pradesh (ex: one for each village) and the mode of the work is **offline**
- Global Virtual** - If the work location is out of Andhra Pradesh and positions are available throughout Andhra Pradesh and the mode of work is **online**
- Local Physical** - The work location is within the district & the mode of work is **offline**
- Local Virtual** - The work location is within the district or in a couple of districts with the mode of work is **online**
- Users need to fill in the basic fields like location, category, Pay, number of positions required qualification, skills, and experience with the detailed job description
- Users can post up to 3 quick survey questions to the student's example...  
Are you willing to work odd shifts?
- Once the user has confirmed that all essential fields have been filled out correctly, the user may submit the internship offer.

### Note:

- Once you post the opportunity, it will be sent to the university's Nodal Officer for approval and if a university nodal officer approves the post, students can apply.**
- University Nodal officials will review the posts on a first-come, first-served basis, tentatively the review of the postings from organizations will begin in the second week of march**
- For further clarification, please reach out to [support.iic@apsche.org](mailto:support.iic@apsche.org) and we will keep you updated on the further process.**
